POPULAR INSTRUCTION

1848

[Knowledge]

Living in a time of great changes, the great aim should be "popular instruction" — more learning — but Jews deficient in this; if Jews elected to Parlt they are subject to attacks as "rich, buying the seat" — but learning is the criterion abroad — eg. Dr Hirsch, Hungarian Diet; Dr Neumann, German Parlt — of Herr von Rodbertus — too few sermons in London synas — except W London Assyn — exception also Liverpool & Birmingham — 10,000 Js in London [illegible] but 5 synas only one "lecture" — only 3 in London: Dr Adler, Rabbi Saunders, Rev. H. Hellenry (Crown discontinued, for unknown reasons, at [illegible] Hall) — of a sermon by Dr Salomon in some issue — S.C. to begin a sermon of this week in this issue [illegible]
